TO WHOM IT MAY CONCERN

Dear Sir/Madam

RE: Simon Ipara-39500898

This is to confirm that the above named was an intern at Intersoft Technologies Consulting (E.A) Ltd in the Software development department focusing primarily on mobile application development for the period from May 2025 to July 2025.

During his tenure with us, he consistently demonstrated exceptional skills, dedication and a strong work ethic making a significant impact on our projects and team.

From the outset, Simon showcased a remarkable aptitude for software development. He quickly adapted to our technical environment, mastering our codebase and tools with impressive speed. His ability to understand complex requirements and translate them into effective solutions was evident in the quality of his work.

One of the key contributions of Simon was developing a mobile application integrated with our Health Information Management System (HMIS). He Collaborated seamlessly with team members.

During his internship with us, Simon was keen and eager to learn. In addition, he was courteous, interacted well with colleagues and responded readily to guidance. Any assistance accorded to him will be appreciated.

Should you have any queries about this recommendation/endorsement of Simon Ipara, please do not hesitate to contact the undersigned.

Yours faithfully,

JOHN KANYORA
